

Arco & Lake Garda Via Ferrata- Gear List

Arco is a sports enthusiast's shopping mecca. There are at least 17 outdoor stores along a 300-metre stretch of the old town, intermingled with gelaterias, pizzerias, and coffee shops. If you need clothing, footwear, or gear for the trip, come a day early and shop to your heart's desire.

Clothing

We recommend the 'layering system': Bring light, technical clothing that doesn't take much space in your backpack and dries quickly when sweaty or wet. Layers must be put on and taken off quickly as weather conditions change during the day. There may be days when you can wear cotton, but your main clothing choices should be synthetic or wool. Merino wool is a nice material for base layers and t-shirts because it is comfortable, warm, and it does not retain odours, even after many days of use.

- Wind and waterproof shell jacket with hood (Gore-Tex or similar)
- Lightweight wind and water-resistant over pants (Gore-Tex or similar)
- Lightweight synthetic trekking pants or zip-offs
- Medium weight Primaloft jacket with hood
